

## ADMISSIONS POLICY

We are a private breakfast club comprising members from reception to year 6.

When places are limited, priority will be given to siblings, children who attend multiple days and those on the waiting list.

To ensure the children's safety all staff are police checked for their suitability to work with children.

A trained first aider will be available in the rare case of emergency.

It is the parent/carers responsibility to disclose any allergies or other medical conditions and provide a contact number.

## BEHAVIOUR POLICY

Our rules are simple and are made to ensure the safety of each and every child - children will be encouraged to behave responsibly and to respect both staff and each other.
