

International Week 24th – 28th April 2017

International week is back this year, and the theme is Food. As the activities and support were so successful last year, we are hoping to offer parent workshops again. We would like it if parents could share experiences; if you have travelled to a country or have a passion for cooking particular foods please do volunteer if you can.

Workshops can include any of the following;

- A demonstration of cooking a traditional dish for children to taste.
- Short videos and presentations about foods from a particular culture.
- Traditional foods for children to look at/taste/discuss.
- Games, quizzes or facts about foods.
- Stories about origins of traditional dishes
- Sticking and sorting food to create pictures of traditional dishes.

If you are interested in this opportunity please answer the following questions and return to school by **Tuesday 7th March**.
