

Dear parents.

20.3.2017

Singing club will continue to run this Summer term on Thursdays from 3.30-4.10pm. Vicky will help the children to build their repertoire, learning a mixture of traditional and pop songs as well as musical theatre numbers. A performance will be arranged at the end of term so that parents can enjoy listening to what the children have learnt. As always, Vicky's main aim is to 'make music fun' so that the children will learn skills (rhythm, pitch, technique, etc.) without even realising it.

The club will run from the 27th April until the 13th July. Each class will cost £6 so the total for the summer term (11 classes) will be £66.

If you would like your child/children to join the club please return the form attached to the school office by the 31st March. Places will be offered on a first come first served basis.
