23rd May 2018

Dear Parents

Another busy half term has flown past at Alban City! The children enjoyed their seed planting activities for Sustainable St Albans week, our football and netball teams won their matches against other local schools, we have enjoyed some very entertaining sharing assemblies, our school orchestra had their first public performance, and Year 5 had a fabulous time away on their residential trip last week, to name just a few highlights of the half term.

Staffing News

We say goodbye and good luck to Miss Novell as she starts her maternity leave and welcome Miss Howes who will be covering for her during her absence. We will let you know when we hear any baby news!

Sex and Relationships Parent Information Meeting

A reminder that our information meeting is taking place this Friday at 8.40am in the school hall with an adviser from Herts for Learning. It would be very helpful if you would please enter the hall from the playground door rather than walking through the dining room to avoid causing any disruption to the breakfast club. The meeting will last approximately 1 hour.

Classroom Fans

We are very grateful to the PTA for providing new fans for every classroom. When the temperatures climb, as they have done in the recent spell of good weather, the classrooms do become very uncomfortable for the children and the staff. The fans will make a huge difference and help the children to feel more comfortable and ready to learn.

Class Group Photos

Class photos are being sent home with the children today. Please ensure that if you wish to place an order you return the completed form together with payment on later than **Friday 8th June** which is the first Friday back after the half term break.

Inset Day

The first day back after half term is an INSET day, so the school will be closed to pupils on this day.

We hope you have a lovely week next week, and the good weather we have been having continues to hold out. We look forward to welcoming everyone back to school on Tuesday 5th June.

Yours sincerely

Mrs J Goddard and Mrs G Stray
Co-Headteachers
