6th June 2018

Dear Parents

I hope that you all enjoyed the half term holiday and that the children are feeling refreshed and ready for the busy weeks ahead of us. Please find listed below information about events and activities taking place in school:

Open Evening

An open afternoon/evening is taking place on Monday 11th June between 4.30pm and 6.30pm. On this day you are invited to come back to school at any time within this time frame with your child or children. The children's work and books will be out in the classrooms and this will be an opportunity to share your child's progress and learning with them. The class teachers will also be available during these times if you wish to discuss any matters with them. I do hope that you will be able to come. The pupil entrance gates will be open from 4.30pm.

Litter

At the end of the school day please ensure that if you or your children are eating snacks in the playground that you put your rubbish in the bin. We are finding an increasing amount of litter lying around after school. Can you also please supervise any younger children that you may have with you so that they are not walking or climbing over and damaging the plants in the gardens or riding scooters around the playground.

Class Group Photos

Class photos were sent home with the children before the half term break. Please ensure that if you wish to place an order you return the completed form together with payment no later than Friday 8th June.

School Meal ordering

If your child is going to be late for school for any reason that you are aware of in advance, please could you let us know if they require a school meal and their choice. We place orders with the kitchen by 9am.
