10th July 2018

Dear Parents,

I am writing to let you know that we have organised swimming lessons for Year Four for the Autumn. Lessons will take place weekly using the pool at St Albans High School for Girls on a Monday afternoon. We are extremely grateful to the High School for allowing us to use their pool. Lessons will start on Monday 10th September for twelve weeks. The dates of the lessons are as follows: 10/9, 17/9, 24/9, 1/10, 8/10, 15/10, 22/10, 12/11, 19/11, 26/11, 3/12, 10/12. Each class will have a separate lesson lasting for 30 minutes and will walk to and from the school supervised by school staff.

The lessons will be taught by Lisa McCloud and the Swimming4everyone Swim School. The children will be ability grouped dependent on their swimming skills and experience and then taught accordingly.

We require a voluntary contribution of £18.00 for the 12 sessions. Payment can be made using your school gateway account or cheque payable to Alban City School. Unfortunately if your child misses a lesson due to absence from school we are unable to give refunds as the swimming tuition needs to be paid for regardless of the weekly numbers. If your child receives Free School Meals, the Pupil Premium funding we receive will pay for the lessons, therefore there will be no cost.

Please note for health and safety reasons, any pupil who has been absent from school due to sickness or diarrhoea should not swim until they are fully recovered from the illness.

- Pupils **must** wear a swimming hat (latex or cloth) for lessons. They will not be allowed to swim without one (available from Stevensons)
- The swim school recommend that the children wear goggles (available from Argos and Stevensons)
- All jewellery should be removed before swimming lessons. (This includes all earrings)
- Girls will need a one piece swimsuit.
- Long baggy shorts for boys are not appropriate and boys should wear trunks.
- Please pack a towel, swimming costume, hat and goggles in a bag that your child can carry easily. They will also need a coat.

It is expected that all children will participate as swimming is part of the PE curriculum unless there is a medical reason why they should not. Children will be expected to remember their swimming things every Monday as we are unable to phone home for any forgotten items.

Please complete and return the reply slip below with your voluntary contribution by Friday 3rd November.

Yours sincerely

Mrs J Goddard and Mrs Stray
Co-Headteachers
