Dear Parent

We are very pleased to be able to offer instrumental tuition to all children in Year Three so that every child will have the opportunity this year to learn the recorder. Recorder tuition will take place each week on Friday mornings where the children will participate in a small group lesson lasting approximately half an hour. The lessons will be taught by Miss Grocott who is a specialist instrumental teacher.

We are providing each child with a recorder. This recorder will only be used by your child and will not be shared with anyone else. Your child will be responsible for looking after their recorder and all recorders will be numbered to help facilitate this. We would like the children to be able to take their recorders home in order to practice in between lessons but in order to do so we will need you to sign the slip below agreeing to pay for a replacement recorder if it were to be lost.

It will be important that recorders are in school each Friday as your child will not be able to participate in the lesson if they do not have their recorder with them. We will not be phoning home for forgotten recorders.

If you are willing for your child to bring their recorder home please complete the slip below and return to school by Friday 11th September.

Yours sincerely
Mrs J Goddard
Headteacher
