

CHRISTMAS HAMPERS AND RAFFLE

Sadly, we cannot hold our much-loved Christmas Fair this year, but the raffle will still go on! In lieu of the usual bottle tombola donations, we would like to ask parents and carers to contribute towards the assembly of beautiful Christmas hampers, which will become the prizes for this year's raffle. We would like to suggest a **minimum donation of £2.00** and collections will be arranged by your fantastic PTA class representatives. To show our appreciation, and as a little treat for the students, we will hold a **non-uniform day on Friday, 27th November**. Be on the lookout for raffle booklets in bookbags shortly thereafter, with the raffle draw taking place on **Friday, 11th December**. We hope you'll all get involved and support our school during these difficult times.

CHRISTMAS CARDS

Order forms for your children's crafty Christmas card creations have been distributed via bookbags. Be sure to place your online orders by **Sunday, 15th November**, and please contact us for help if you have not received or misplaced your order form.

CHRISTMAS TREEASY

Would you like a beautiful, Nordmann Fir delivered straight to your doorstep? Yes, please! Order yours today with **Christmas Treeasy** and be sure to select 'Alban City' on the online order form. Deliveries start **Monday, 30th November**.

BRADFORD & HOWLEY

Many thanks to **Bradford & Howley** for supporting our Christmas disco and funding the Christmas hamper baskets for our raffle, which will surely be chock-full of delicious goodies and gifts!

MAGICAL MESSAGES FROM SANTA!

That's right! Receive your very own, personalised video greeting from Santa Claus himself, recorded within his enchanted grotto at the North Pole! If your child would like a magical message, please **complete our online request form** and kindly send a donation of **£3.00 per child** to the PTA (refer to the form for payment details). Santa's busy elves will accept your requests until **Friday, 4th December** (subject to Santa being snowed under with requests!).

JACK AND THE BEANSTALK PANTO

Hurrah! The PTA and **Panto Online** are bringing Jack and the Beanstalk to Alban City! Each year group bubble will have a chance to enjoy this hilarious and interactive panto performance in the school's fantastic theatre between **Monday, 7th December and Friday, 18th December**.

CHRISTMAS DISCOS

We are so disappointed that we're unable to hold our Halloween discos and Christmas film night this year, but fear not! The PTA is bringing DJ Mole back and he'll be spinning Christmassy tunes and disco classics at Alban City on **Thursday, 17th December**! Each year group bubble will have their turn in the hall for a merry boogie, and then our lovely school will continue the entertainment with a day full of Christmas party fun. Don't forget to don your best Christmas jumper and festive gear!

Thank you AND MERRY CHRISTMAS!

As always, we thank you for your generosity and support at this time and wish all families and staff of Alban City School a safe and joyous Christmas season ahead. All best wishes for 2021.

CHRISTMASTIME WITH ALBAN CITY SCHOOL PTA * 2020
