

# Our Festive Events this Season

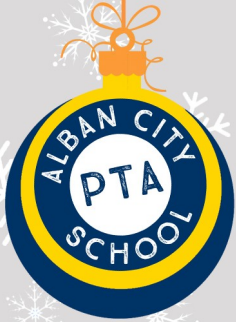

Hello families and friends of Alban City School,

A group of us were busy organising a Festive Fête, due to take place next month, with a lovely program of performances, as well as lots of festive stalls for all to enjoy. After discussions with the school, however, as well as a careful review of the local authority's latest guidelines, we've sadly concluded that we couldn't safely go ahead with the event, even though it was due to be a predominantly outdoor one. We are very disappointed not to be able to bring the school community together again, but do hope that the line-up we have set out on the pages to follow will go some way towards making the festive season a fun one. Many thanks to you all, including our great sponsors, Bradford & Howley, for your support and generosity at this time, and best wishes for a safe and joyous season ahead. ❤️ Alban City School PTA
