

SPRING NEWSLETTER

The AGM was well attended and 2018 has been another successful year of fundraising for Alban City School. As a brief summary we are extremely pleased to relay that together you raised a total of £14,500 between Sept 2017 – Aug 2018 and have raised £8,300 so far this school year.

In the last year the PTA have supported the school in various ways; subsidising the panto, purchase of classroom cooling fans and new books for the library. The PTA also paid for a feasibility study into a basement renovation project, something that you as parents listed as an interest going forward. At the beginning of 2019 we are excitedly waiting for school to decide on the best design, after which a tender document will be produced to go out to selected contractors. The PTA plan to help promote this project and set fundraising goals as soon as possible.

After our AGM we are delighted that we have a few new members of the team. Below is a list of your class reps and the PTA officers so you know who to ask for info on events that are coming up.

Your class representatives are:

Apple:	Amanda Currie & Nicola Mongon
