

A Warm Hello from the PTA

We wish we could be writing to you to give you details of all the PTA events taking place this term, but, alas, all of our planned events are on hold. We will do our utmost to plan a fun-packed selection of events when school is back in session, so please do assure the children of this.

Since writing to you last term, we are pleased to report that we have been able to grant one of the school's wishes! Through the money raised at the Valentine's Bake Sale, Comedy Night, Nearly-New Uniform Sale, plus events held over the autumn, it was possible to fund the purchase of **32 Chromebooks** at a cost of just over **£7,100**. Thank you to everyone who made this possible, as students and staff will greatly benefit from this technology acquisition.

We hope to be reunited very soon. We will keep you updated with any news on the [PTA Facebook page](#). In the meantime, we wish everyone well during this difficult time.

Lizzi, Julia, Julie and the PTA Team

ACS Theatre

Through our passionate fundraising efforts spanning over the past two years, we were able to contribute a staggering **£37,301** towards the refurbishment of the disused basement area to create a state-of-the-art theatre for the enjoyment of our children, their families and school staff. This included **£4,300** in donations through Just Giving, with the rest of the funds generated from recent PTA events. We cannot thank you enough for this - it is so rewarding to be able to play a big part in making such a concrete and long-lasting improvement to our children's school lives. Again, a huge thank you to **Nadeene Stewart** and **Claire Toms** for their dedication to this cause. The plaque to thank all of the donors is currently in production, so we hope to be able to present this to you soon.

Alban City School Wish List

- Additional trolley of 32 Chromebooks
- Gardening tools and equipment for the school allotment
- Art and design technology equipment
- Food technology equipment and resources
- Comfortable seating for the library
- Air conditioning for classrooms [investigating alternatives]
- Water fountain for the playground [on hold for now]

Together Again

We imagine you've all had the chance to listen to the wonderful, uplifting song, [Together Again](#), composed by the school's talented staff members and students to thank our fabulous, hard-working key carers. A huge thank you to **Miss Farley** for her organising and video editing efforts - we imagine it was a far from easy task. If you are able, [please do donate through Just Giving](#) to champion the important work carried out by **NHS Charities Together**, which has raised over **£80 million** in support of NHS staff and volunteers caring for COVID-19 patients and those affected by the ongoing crisis.

THANK YOU TO ALL
