Raising funds for Alban City School

## News on our big fundraising project!

As you'll be aware, Mrs Stray recently announced the school's proposal to develop our playground space. After overwhelming positive feedback from parents at our last PTA meeting, we are really excited to support this project which will provide a fun, attractive and enjoyable space for all of the children.

We aim to raise £40k over the next 2 years to match the investment from the school's own budget. We will of course continue to support the annual trip to the Panto and the Yr 6 Leavers activities as well other enrichment activities across music, sports, art and technology but our main fundraising focus will be the playground.

Mrs Stray said "I hope you feel as excited as I do about this proposal because I believe that it will really enhance the children's health, wellbeing and enjoyment of their time in school, and add to the already fantastic provision we can offer at ACS. Please let me know any ideas you have for the new design."
