

Year 1 Termly Information Sheet

Welcome to the Summer Term

Dear Parents and Carers,

We hope you find the following information about this term useful.

The teachers in Aqua Class are Mrs Jennings (Monday-Wednesday) and Mrs O'Sullivan (Wednesday - Friday). The Teaching Assistants are Miss Moss, Mrs Davies and Ms Panta. In Sky Class the teacher is Miss Hanbury. The Teaching Assistants are Mrs Scott and Mrs Smith.

We will have P.E. every Tuesday and Friday for Aqua class, and Monday and Wednesday for Sky class. Please ensure your child has appropriate P.E. kit in school.

In English, our first text will be Mr Gumpy's Outing by John Burnham. Our writing focus involves developing sentence skills including the use of capital letters, end of sentence punctuation, conjunctions to extend sentences and using a range of sentence types. We will also be working on adapting stories using our own characters and settings. In addition, we will be practising our grammar and spelling skills involving prefixes and suffixes.

In Phonics the whole of Summer 1 will be spent reviewing the phonemes/graphemes we have learnt so far. Please find a list of these at the bottom of this document. In the week beginning 10th June the class teachers will assess each child individually on their phonics knowledge by asking them to read a set of words that contain each of the phonemes they have learnt. This is called the Year 1 Phonics Screening and is a statutory assessment. You will receive the outcome of this assessment in the end of year report. Please speak to us if you would like any more information.

In Maths, we will be continuing to work on place value, numbers to 100, multiplication and division including one-step problems and fractions, as well as working on our skills of non-standard measures and telling the time to an hour and half past.

This term in Science, we will be learning about the life cycle of a plant and identifying and describing the structure of a variety of common plants and trees. We will also name some garden and wild plants and trees found in the local environment.

In Geography, we will be revisiting our knowledge of the four countries that form the United Kingdom. We will be using simple directional language to describe the location of places in the local area and using aerial photographs to draw a map.

Our exciting History topic in the second half of the term will involve researching and exploring events leading up to the Great Fire of London as well as investigating what changes occurred as a result of the fire.

In RE the children will be looking at the role of a leader in Judaism and Christianity, in addition to exploring rules and moral stories.

Music continues to take place on Mondays for Aqua Class and Thursdays for Sky Class. This term's focus will be 'At the Ballet' where we will be hearing the story of Swan Lake, discovering musical terms and identifying rhythm.

Reading books can be changed on Mondays and Thursdays. All children are expected to read to an adult at home at least three times before changing their book. Please use the yellow reading record books to record when you hear your child read. You can also use this book to make any comments about their reading. As before, spellings will be issued on a Friday and tested the following Friday in the back of their green spellings book.

Please do not hesitate to speak to us at any time during soft start or after school. We are looking forward to working with your child this term.

Best wishes,

The Year 1 team

YEAR 1/PRIMARY 2 AUTUMN 1: PHASE 5

Review all previous learning.
