Dear Parents and Carers,

### Young People's Puppet Theatre Performances

As you are already aware, Year 6 have been working with the Young People's Puppet Theatre this year to design puppets, which have been made by older members of the local community, and produce a show. There will be a performance in the school hall to Amethyst class parents on Thursday 20th June at 9.15am and one to Magenta class parents on Friday 21st June at 9.15am.

The children have also been invited to perform the plays on Monday 24th June at St Albans Cathedral to members of the public as part of the celebrations to mark the opening of the new visitors centre. One performance will take place during the school day, and we will walk the children there and back, but there is also an evening performance. Amethyst class's performance will start at 7.30pm, followed by Magenta class at 8.30pm. I appreciate that this is quite late in the evening, but the timings are outside our control because we are not organising the event.

Please could you respond by **THIS FRIDAY** to confirm if you would like your child to participate in the evening performances, and if you are prepared to give a firm commitment to bring them and collect them from the Cathedral at the designated times. Every child has a specific role in the show, so it is important for the Puppet Theatre company to know who is definitely going to be there so that the performance can run smoothly. If not enough children are able to attend, the evening performances will be cancelled and only the daytime performances will go ahead.

I will confirm the final details and timings with you nearer the time, but at this stage we just need to know who can commit to taking part.

Yours sincerely,

Mrs Stray

Headteacher
